EVENTS FACILITIES IN THE
HEART OF COVENT GARDEN

MEETINGS AND EVENTS SPACE...

Whether you're planning a product launch, a training seminar or an intimate meeting, at Neal Street Espresso we guarantee a real 'wow factor'.

Our team is totally committed to meeting and exceeding your expectations, with attention to detail at every level.

Our facilities are modern, elegant and flexible enough to handle events from intimate gatherings to large training sessions. Connected to the meeting space is our specialty coffee shop, which can provide high quality food and drinks packages on request.

... WITH A DIFFERENCE

What makes Neal Street Espresso unlike any other business venue is our ethos. Providing jobs, training and support for ex-offenders and young people who are at risk of offending. Our team have found a new purpose in life and have moved from being the problem to part of the answer.

Your booking makes a significant impact to the lives of the ex-offenders we are working with. All proceeds go directly into creating better chances for those wanting to change their lives around.

"Leaving prison wasn't easy but I was determined to live the life Jesus wanted for me. I got the chance to join the team at Neal Street Espresso, And I love it! I can't wait to see how God will use me in the future to share his love with those around me."
